

Distribucion de la precipitacion acumulada diaria

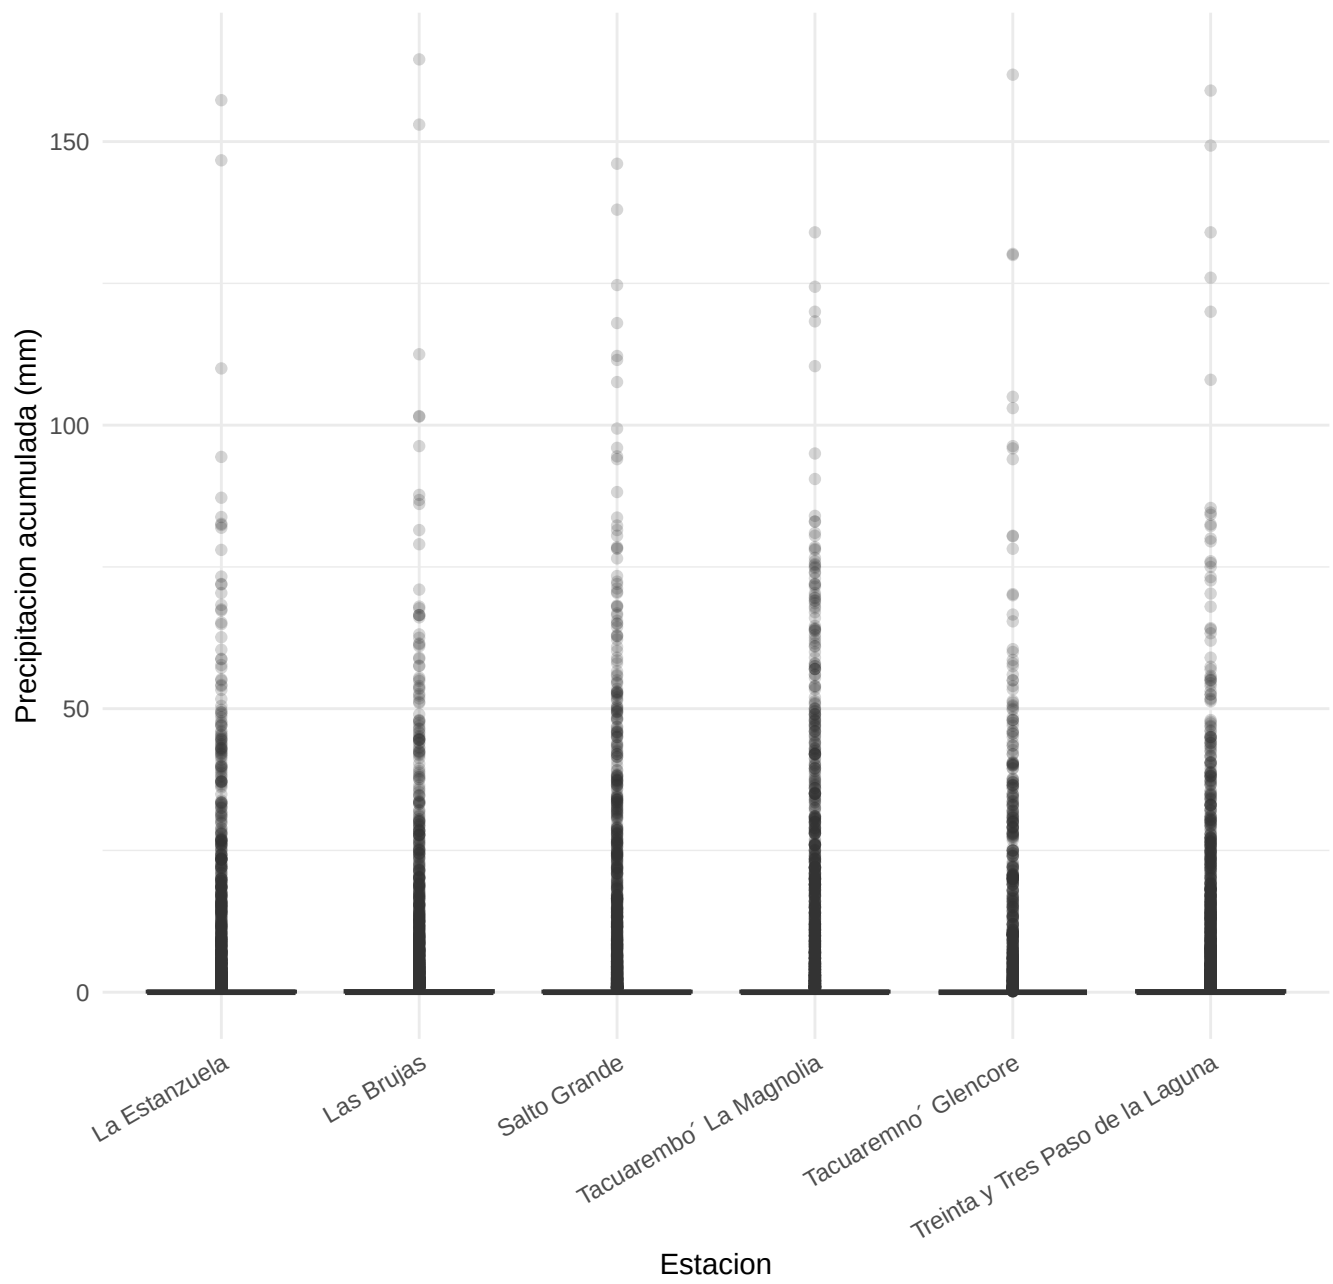

Precipitación acumulada y humedad relativa media

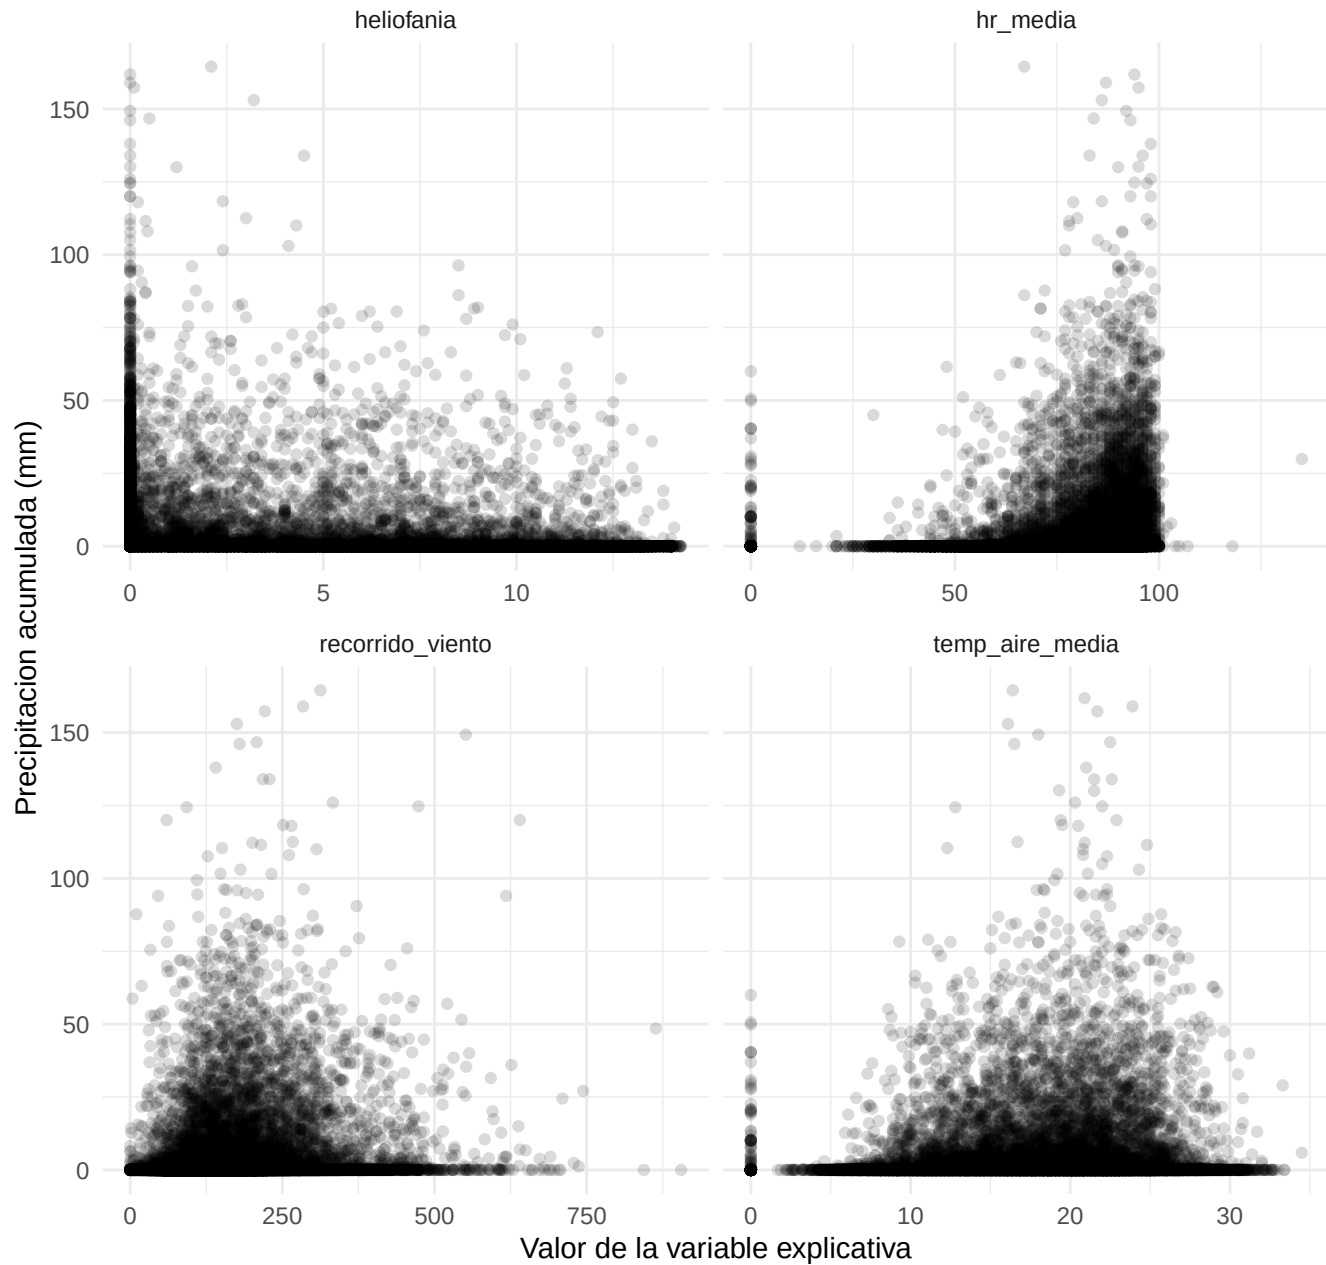

Precipitacion acumulada por mes

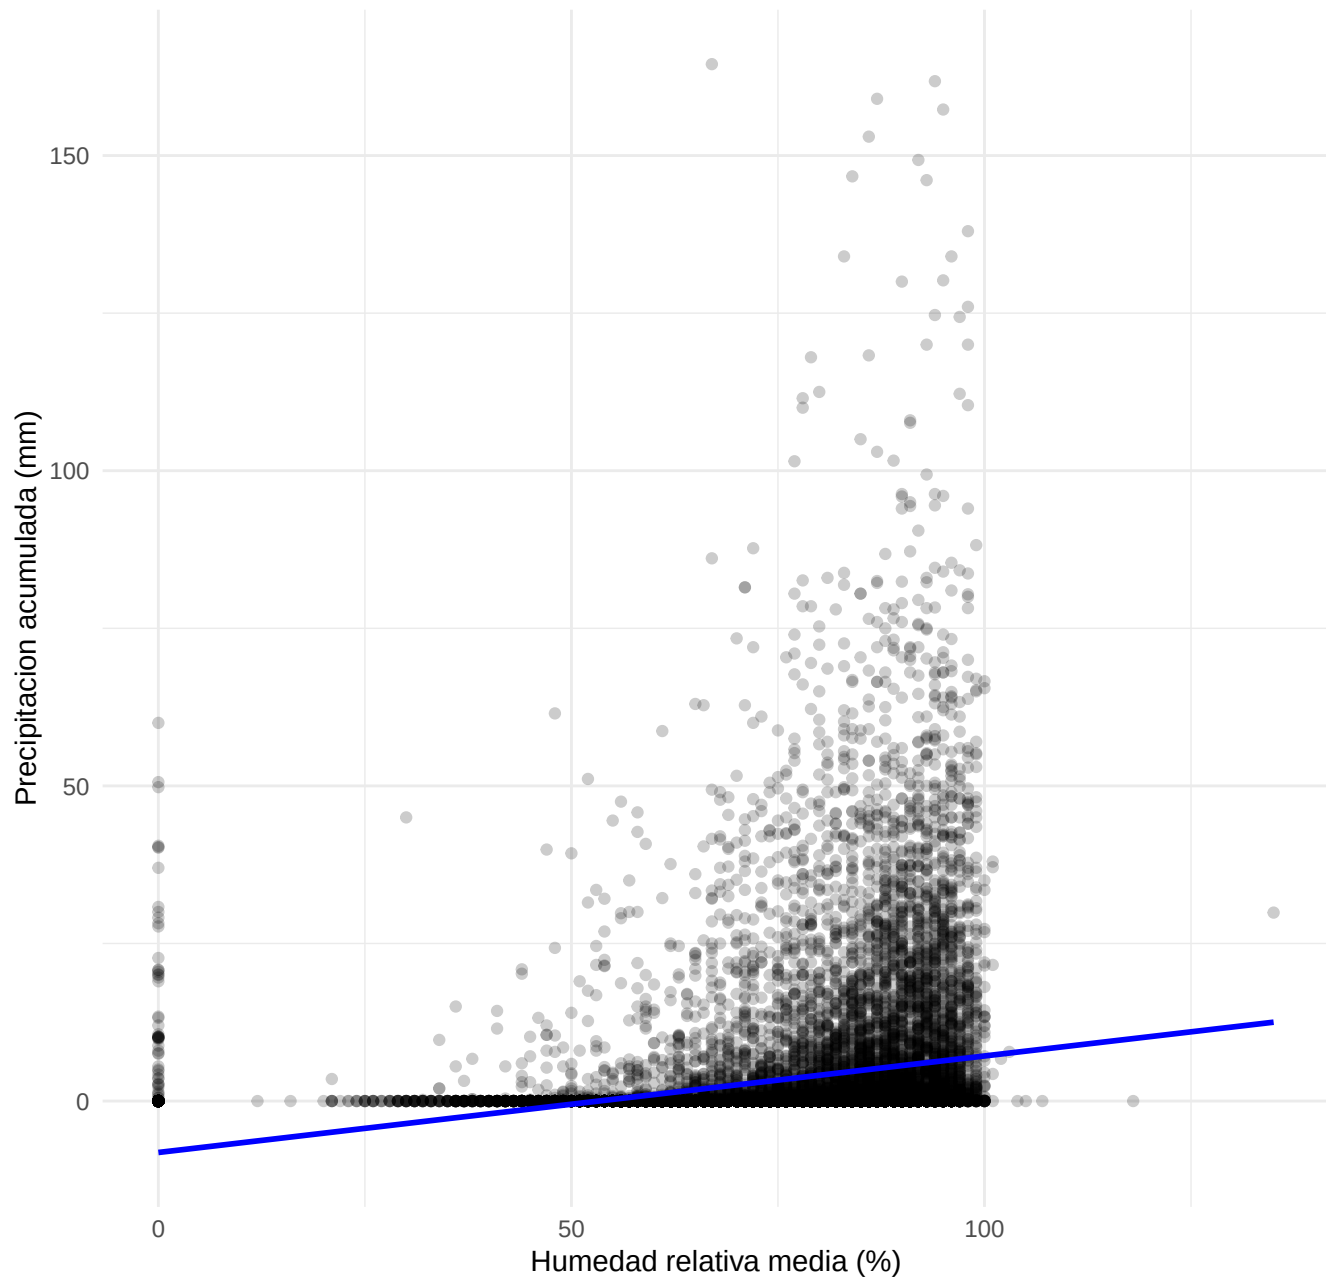

Precipitacion acumulada por estacion

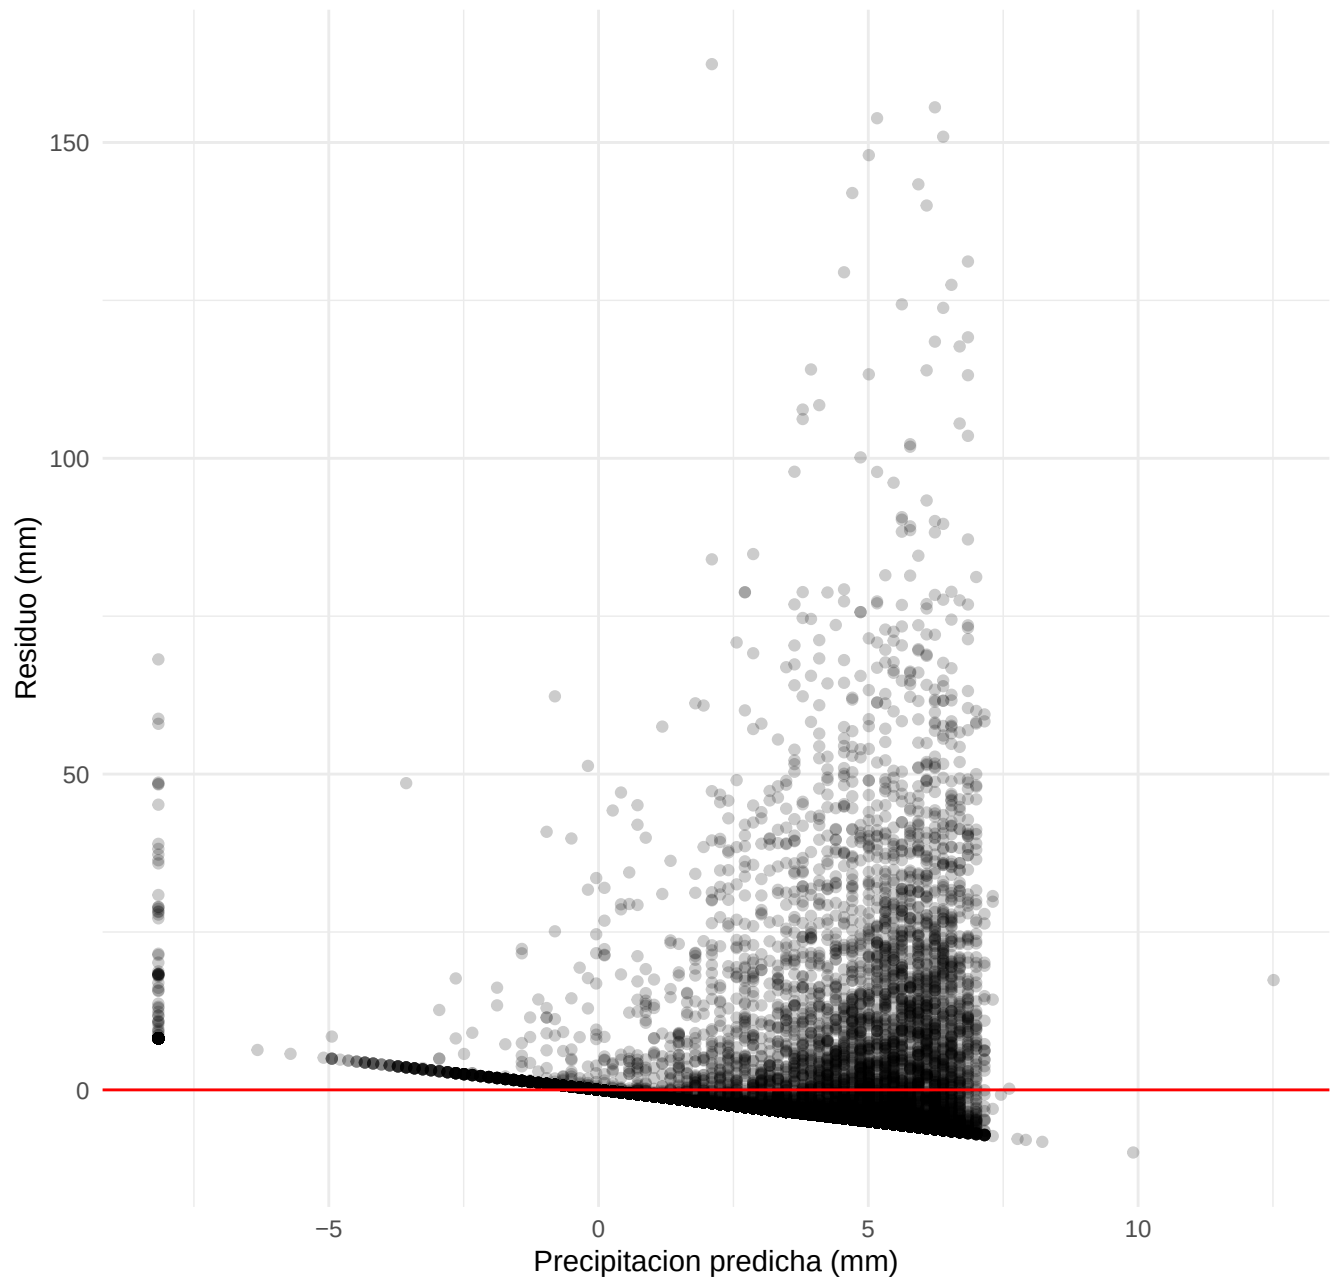

Precipitacion y variables explicativas seleccionadas

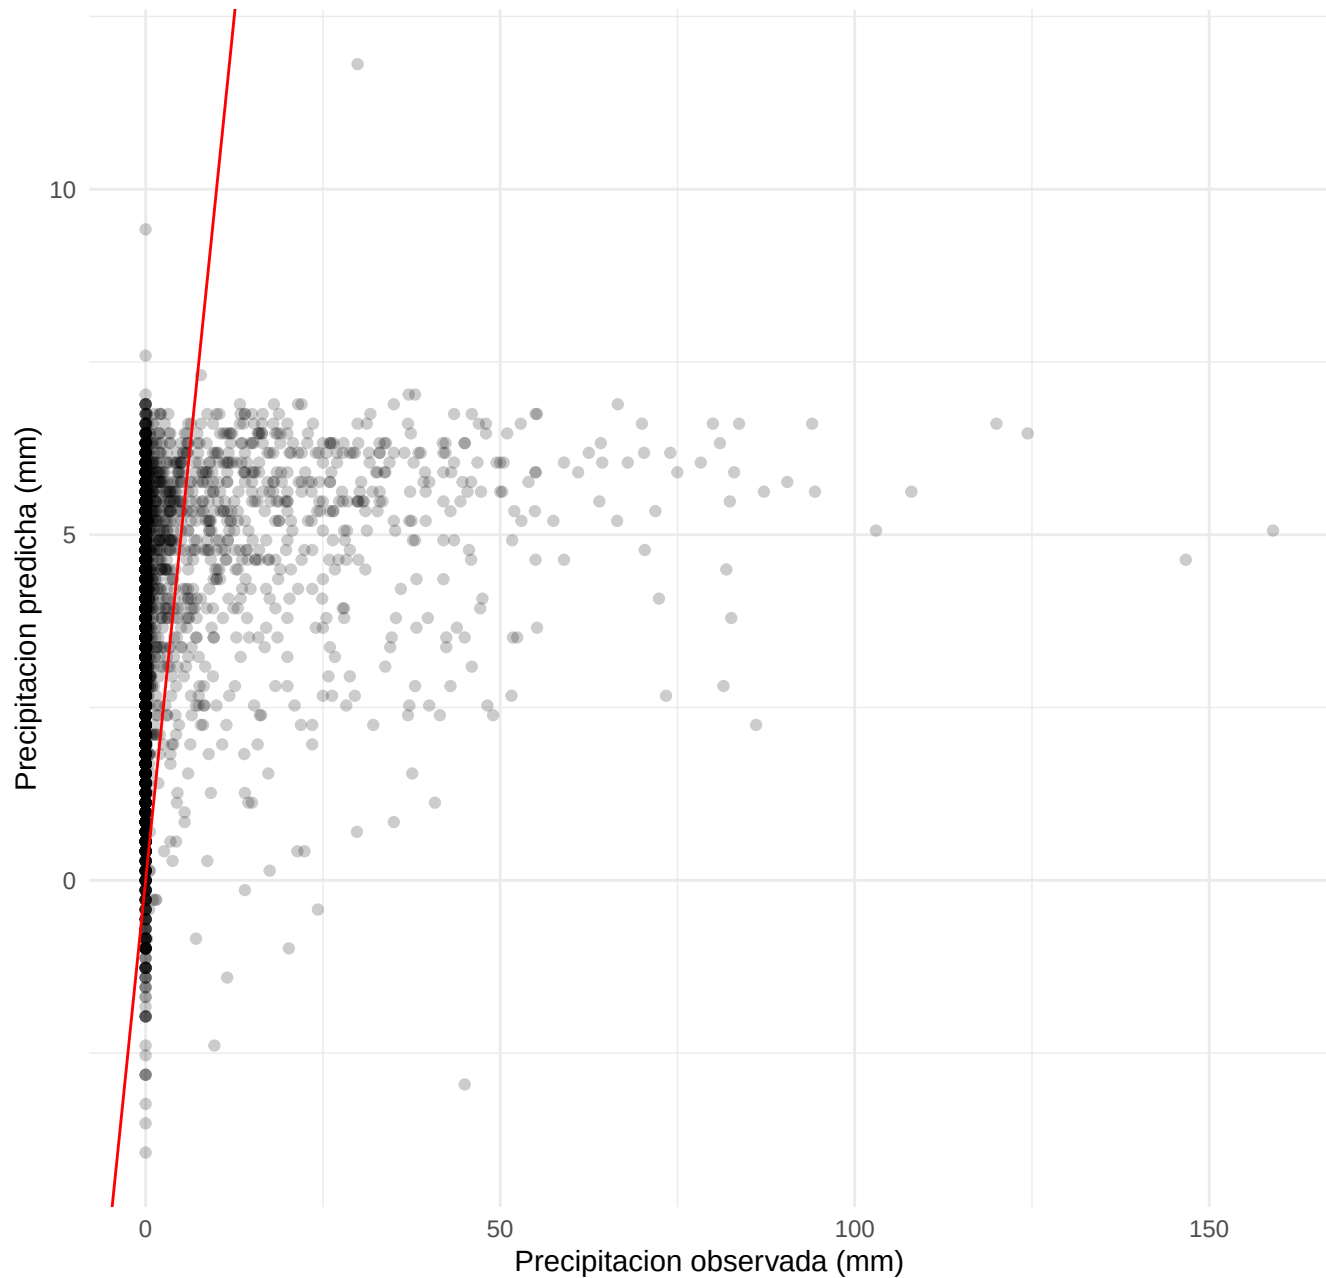

Regresión lineal: precipitación y humedad relativa media

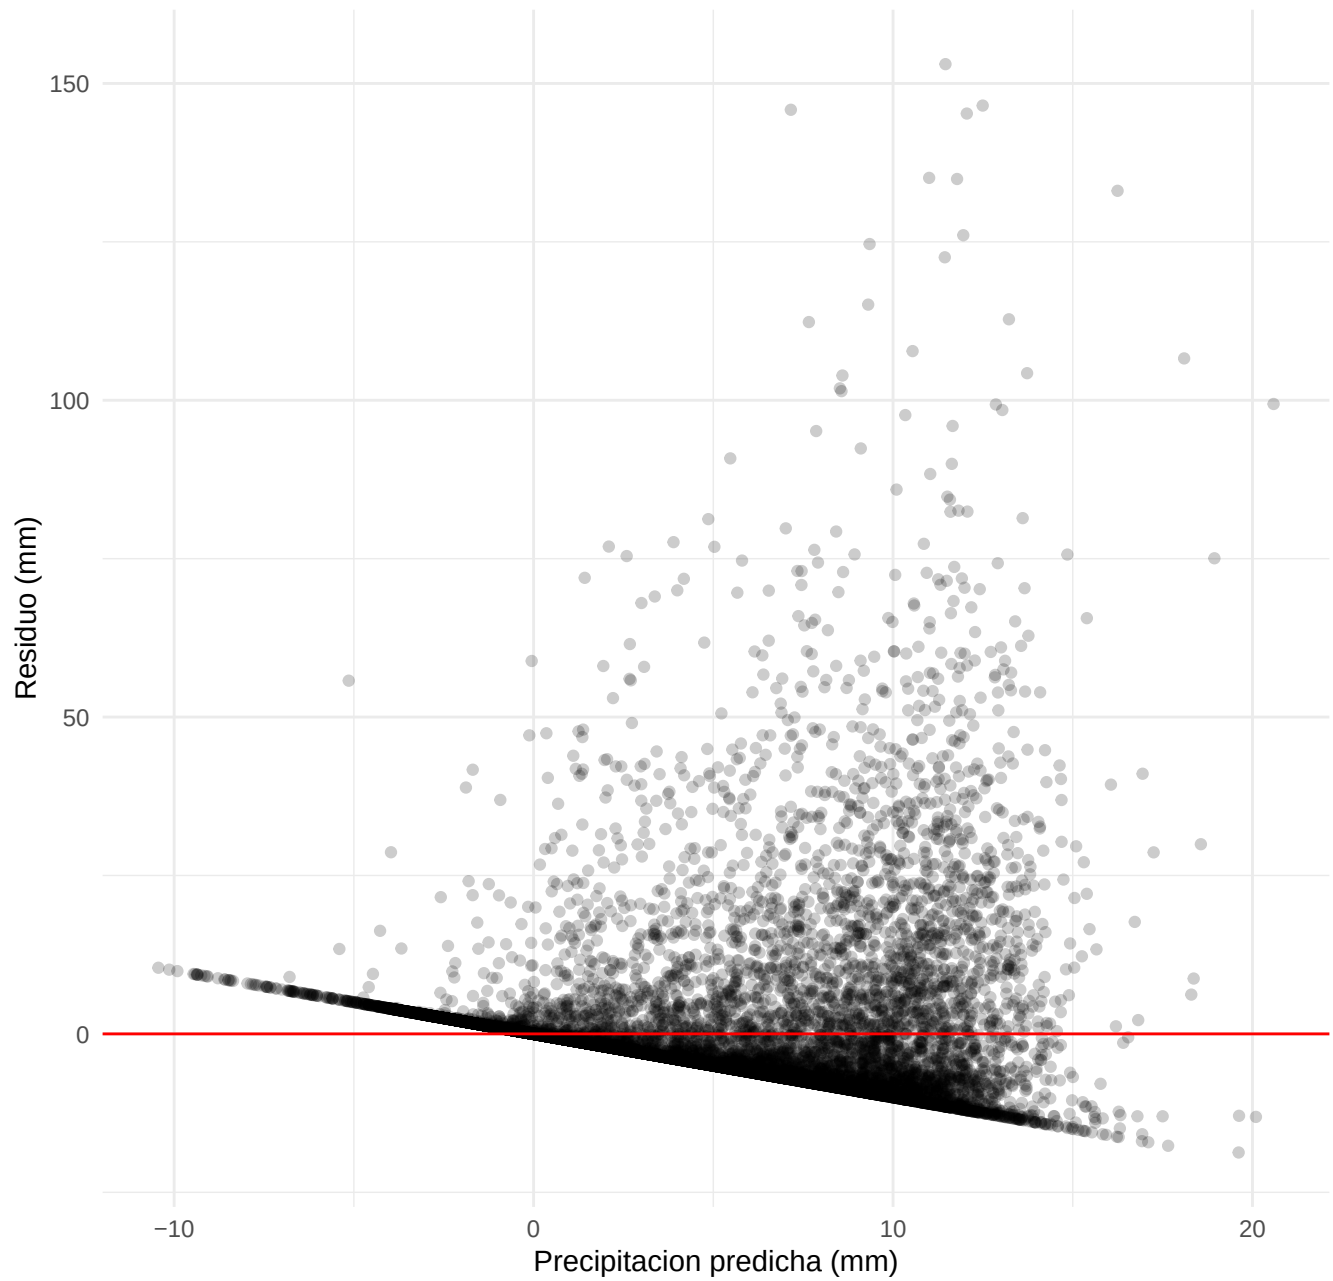

Residuos del modelo simple

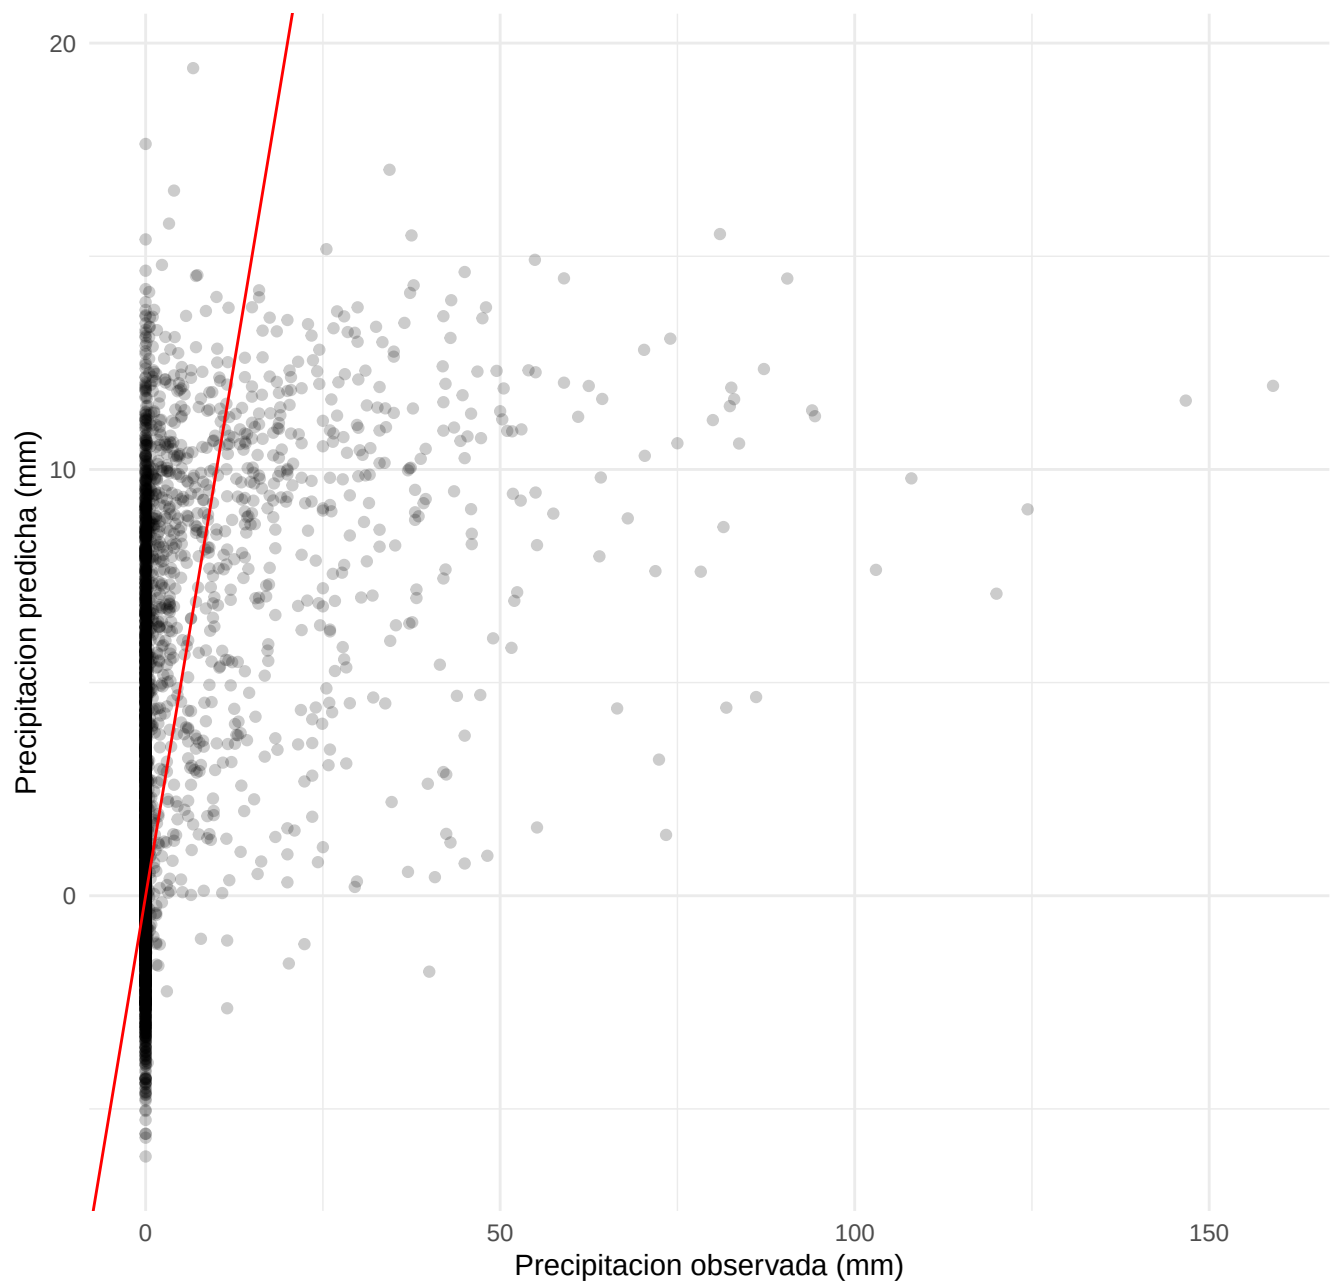

Precipitación observada y predicha: conjunto de evaluacion

Residuos del modelo multiple

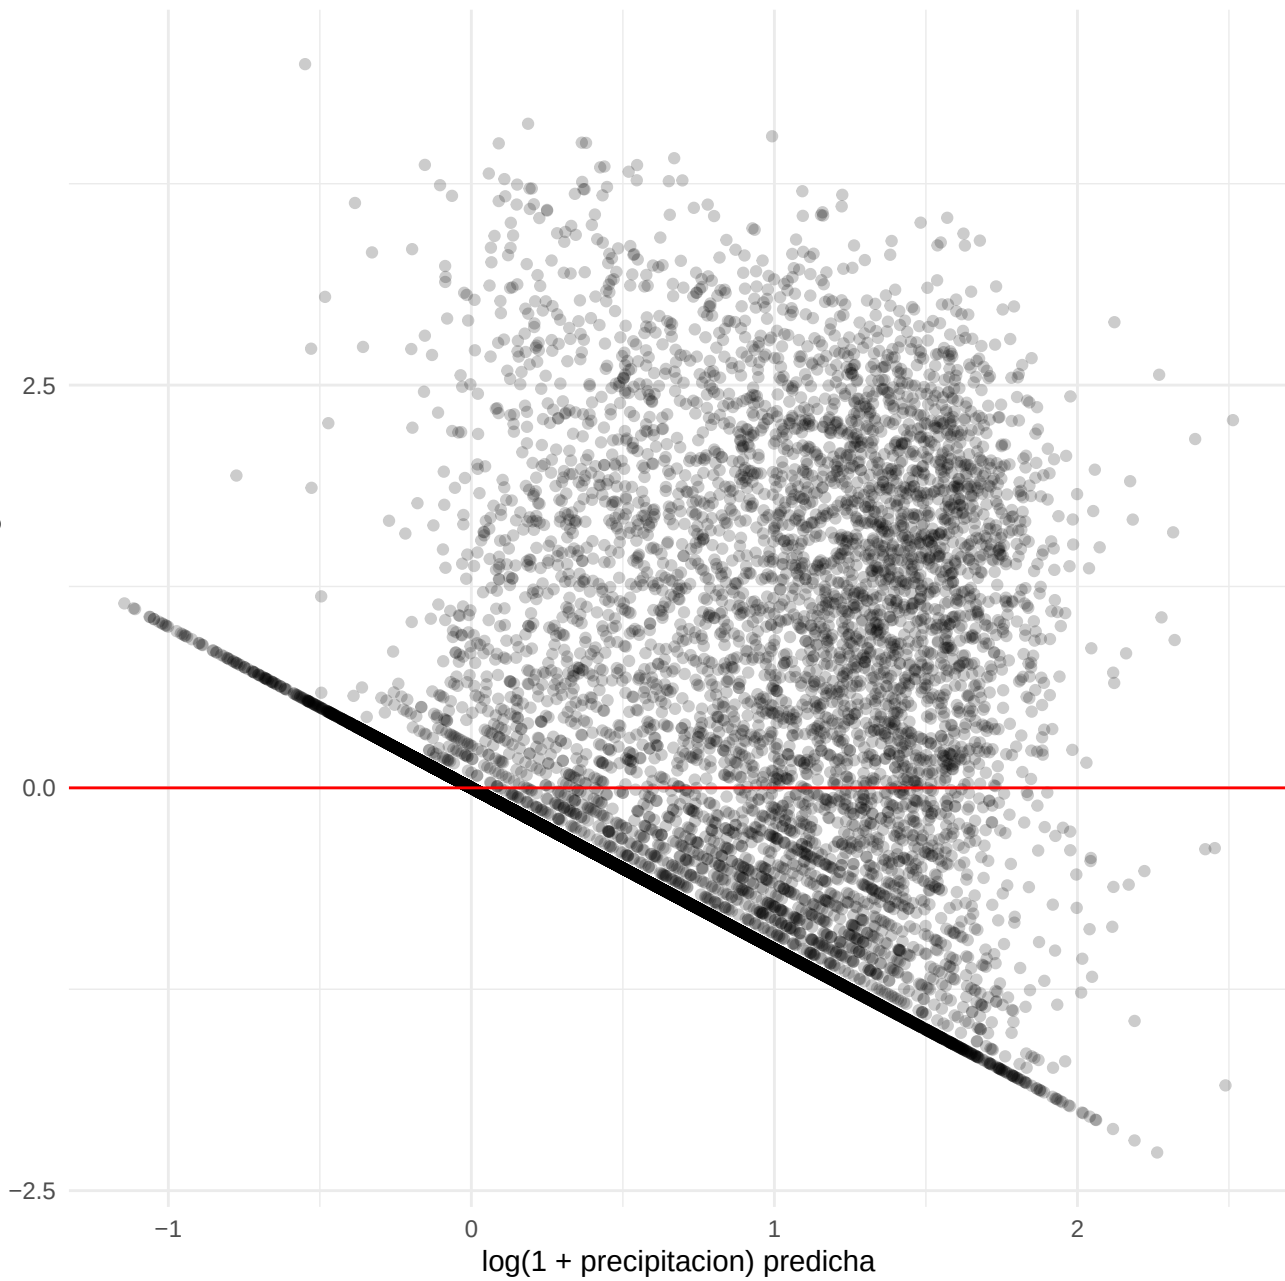

Modelo multiple: precipitacion observada y predicha

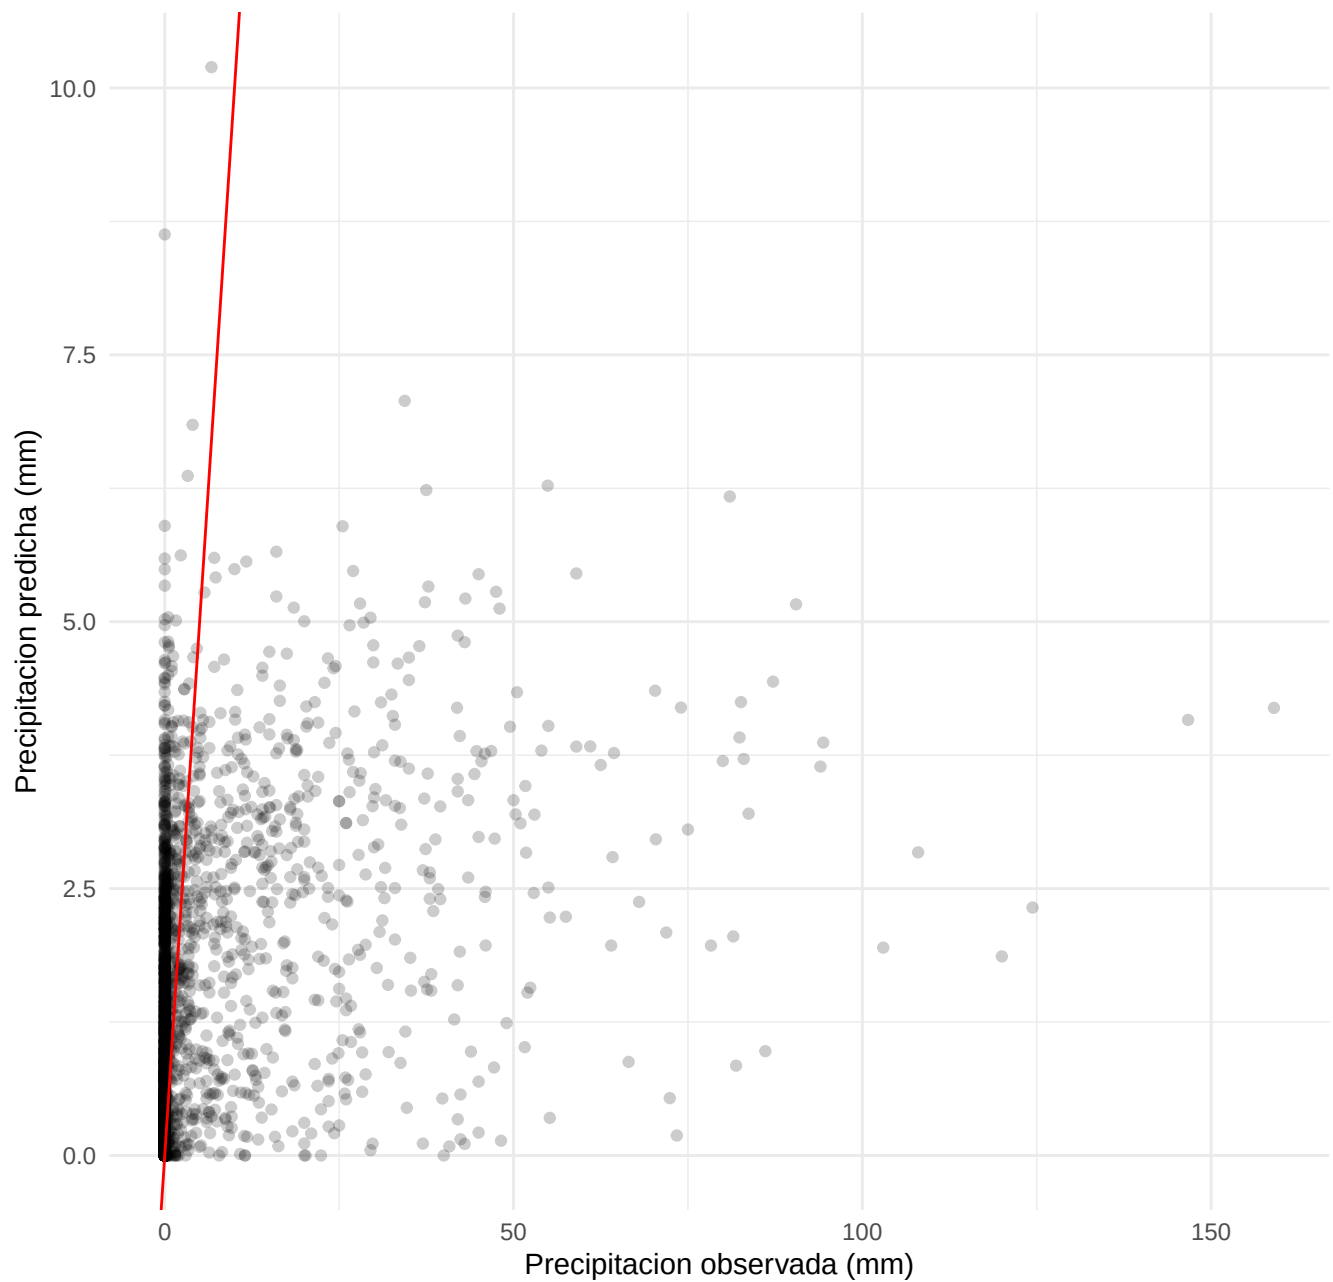

Residuos del modelo logaritmico

Residuo en escala logaritmica

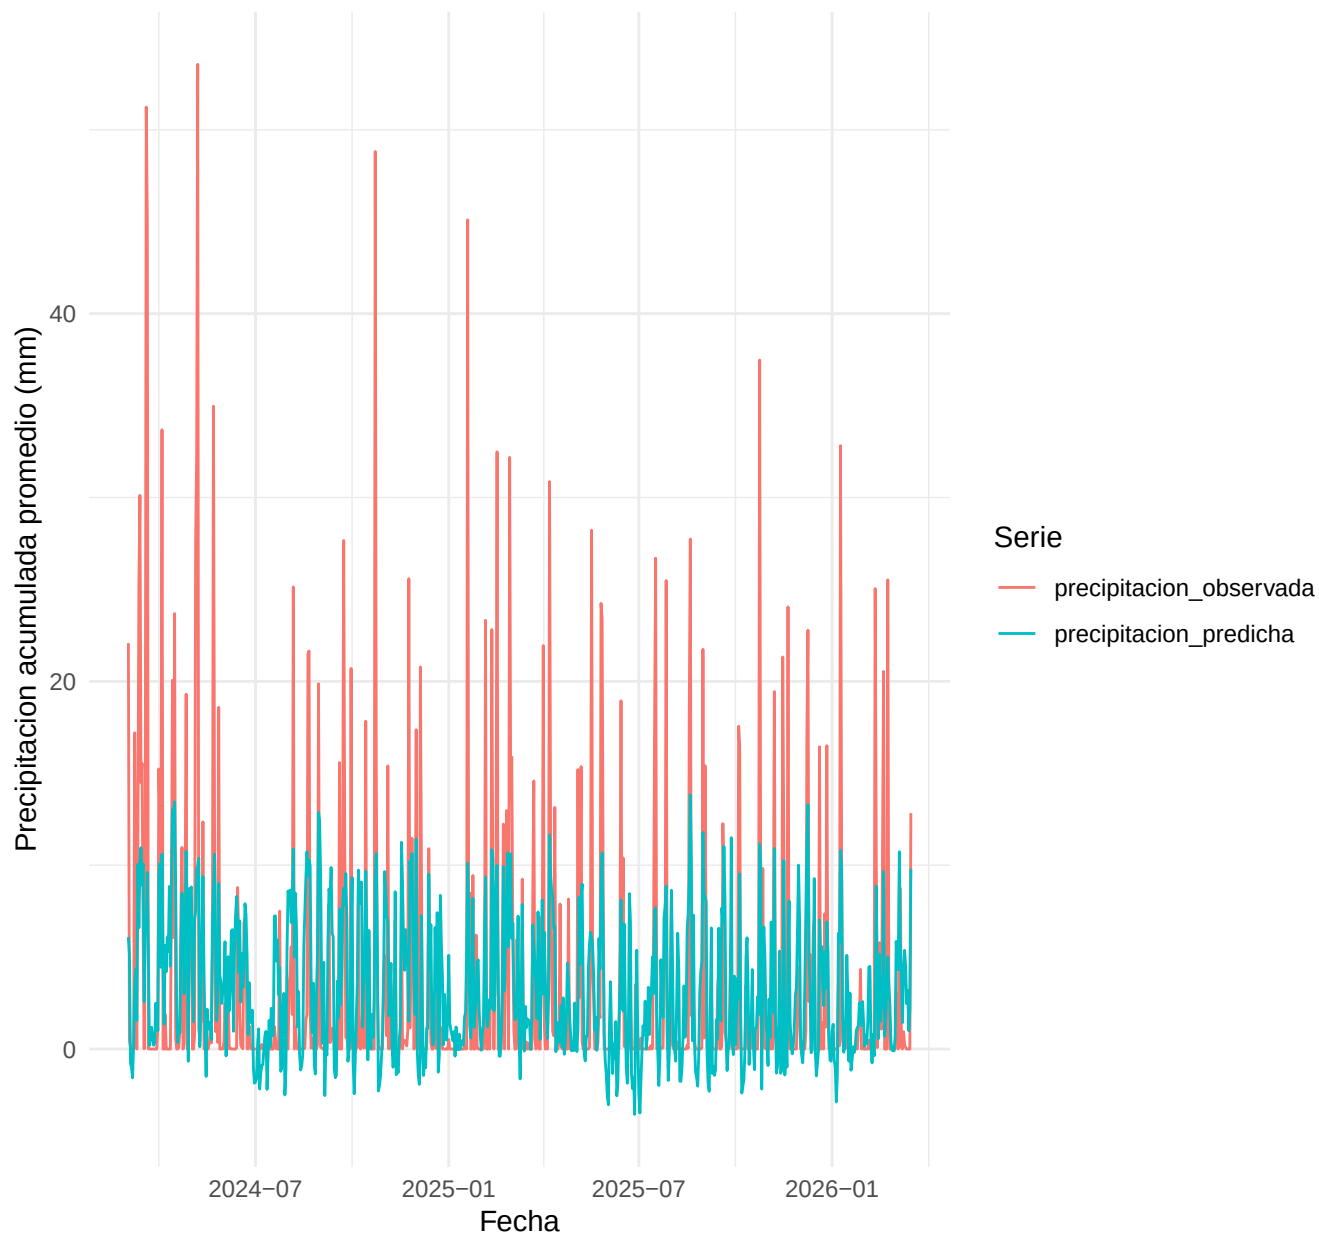

Modelo logaritmico: precipitacion observada y predicha

Precipitación diaria observada y predicha: modelo multiple

Promedio diario entre estaciones en el conjunto de evaluacion

Comparacion de modelos en el conjunto de evaluacion
